The AAU mentoring program was supported by funding from Salt Lake County and DHHS Funding for fiscal year 2024-25. Across the two funding sources we served 105 youth who primarily reside in Salt Lake County. Each youth worked with a mentor to create an individualized service plan focusing on improving their self-esteem, academic achievement and family attachment. Over 85% of the youth we mentored indicated that they avoid drugs and alcohol. Furthermore, each mentor worked with each mentee to identify and participate in prosocial activities such as afterschool programs, sport teams, and extracurricular activities.

Social Services:

The organization's Social Services case managers work to bridge the gap between refugees and the resources necessary for integration and resettlement in the U.S. They provide assistance with legal matters, public transportation, health coverage, safe and affordable housing, school enrollment, and other basic needs services. During the year ending June 30, 2025, the organization provided a clear path to integration for over 333 refugees, asylees, victims of trafficking, and parolees cases.

English as a Second Language (ESL) & Life Skills:

AAU provides three levels of classes for ESL learners from non-literate to intermediate. These classes are all taught by TESOL certified teachers. All our classes are free. We focus on life skills for refugees and immigrants with the goal of the student being able to gain the skills necessary to get a job and be self-supporting or go on to further education or training. We emphasize digital skills including writing a resume, applying for a job, and finding job resources online. All our classes are accessible virtually through the Teams app, thus allowing flexibility for students who are dealing with jobs, child-care issues, etc. For the 2024-2025 fiscal year, we served 223 students either in-person or through our virtual classes. We have morning classes five days per week from 9:00 am - 12:00 pm.

Parenting Programs:

145 parents were served in the 2024-25 fiscal year utilizing the Systematic Training for Effective Parenting (STEP) evidence-based curriculum. Each parent who participated attended 8 or more of the provided parenting class. Classes were provided in Spanish, Somali, Arabic, Kinyarwanda, French and Arabic (Dinka) so that members of the language community could more fully participate and understand the principles taught in the classes. Parents reported "My family is more united, and we do more activities together" and "We feel closer and more connected as a family" after completing the class. They added that they are now "learning to listen to their child and not hurting them" and that "there are less arguments at home. Ninety-four percent (94%) of participants strongly agreed that "the STEP course has helped improve relationships in my family," and 94.7% agreed that the "course has helped improve communication in my family.
